PETITION TO RESET MAIL DATE
OF NOTIFICATION OF MISSING REQUIREMENTS
AND RETRANSMITTAL OF REQUEST TO RESET MAIL DATE OF
NOTIFICATION OF MISSING REQUIREMENTS

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

Applicant thanks the Examiner for speaking with the undersigned today. Applicant petitions to reset mail date of the Notification of Missing Requirements mailed on February 7, 2002. The Notification was not received by the undersigned's firm until Examiner Alvarado faxed it to the undersigned on May 29, 2002.

The reasons for granting this Petition are stated in the Request to Reset Mail Date of Notification of Missing Requirements previously faxed to Examiner Winston Alvarado at the PCT Operations Office on May 29, 2002. We understand the USPTO has misplaced this Request. Thus, applicant encloses a copy of the Request with this Petition together with the facsimile confirmation sheet showing the Request was received by the USPTO (ATTACHMENT I). The Request included a Certificate of Facsimile Transmission.

The Request also includes evidence showing the Notice of Missing Requirements was not received by the undersigned's firm until after the undersigned spoke with Examiner Alvarado. Applicant requests the Request be deemed a Petition under MPEP 710.06 and the petition fee charged to the undersigned's firm Deposit Account No 19-4375. If the initial

Request had been denied (even for the absence of a fee) applicant would have had two months from its dismissal to cure the deficiency.

Applicant has concurrently filed a Response to the Notification of Missing Requirements with a Petition for Extension of Response Time, Declaration and Assignment. If the present petition is granted, Applicant requests a refund of the fee for the extension of time, and the fee for this petition, be credited to the undersigned's firm Deposit Account No. 19-4375.

Respectfully submitted,
